2024 Institutional Investor Conference

# Disclaimer

- ▲ This presentation and the related information released simultaneously are derived from both internal and external sources of the company, including operational results, financial status, and business development, among other content.
- ▲ The company does not release financial forecasts, but the explanations in this presentation regarding the company's financial, business, and Q&A sections may differ from the actual future results. These differences may be caused by various factors beyond the company's control, including changes in market demand, price fluctuations, competitive actions, international economic conditions, exchange rate fluctuations, upstream and downstream supply chains, and other risk factors.
- ▲ The forward-looking statements in this presentation reflect the company's views as of today. The company is not obligated to update or revise these views in the future, should there be any changes or adjustments.

# Contents

- 1. Company Profile**
- 2. Current Production Capacity**
- 3. Main Sales Items**
- 4. Overall revenue**
- 5. Countermeasures**

# Company Profile

Established: 1975

Capital Amount: NTD 9.1 Billion

Chairman: Kuo, Shao Yi

Employee: 1289 people

IPO Date :Listed on the Taiwan  
Stock Exchange in 1992

(Stock Code: 1447).

# Current Production Capacity of different plant

## 1. Changhua Nylon Factory:

Polymerize ( 5 production lines) :33,000 T/Month

Spinning: 2,700 T/Month

## 2. Weaving & Dyeing Facilities:

Water Jet Loom 358 Units

→ Greige capacity: 2.8 Million Yards/Month

Air Jet Loom 184 Units

→ Greige capacity: 1.5 Million Yards/Month

Woven Dyeing Facility 44 Units

→ Finish Outcome Capacity: 8 Million Yards/Month

Knitting Dyeing Facility 15 Units → Finish Outcome Capacity 700,000 KG/Month

Yarn Dyed Facility 18 Units → Yarn Dyed Capacity 300,000 KG/Month

Setting Machine 12 Units

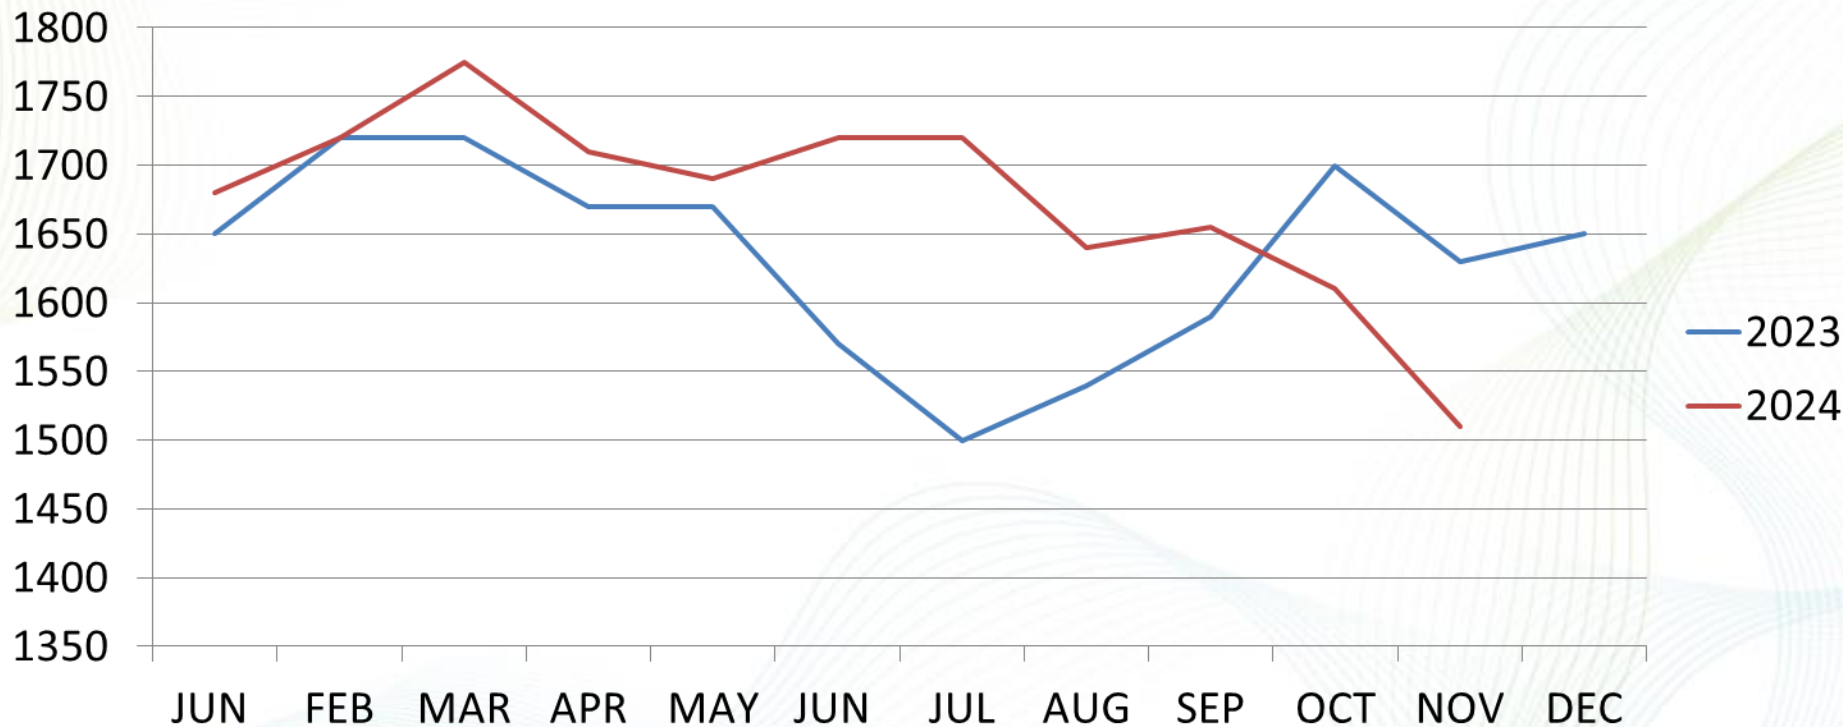

# Main Sales Items

1. Nylon Chips(SD, FD, BR), Nylon pellets, Nylon Filaments(POY, FDY)
2. Fabric Outcome, Greige( End use: Apparel 76%, Home textiles 22% and Others 2%)
3. Yarn Dye.
4. Contract Dyeing

# Raw Materials Trends-CPL

Unit: USD

# Li Peng Sales Quantity (By Department)

## Li Peng Prime Textile Department

	Finished Fabric (Dyed Fabric + Greige)		Contract Dyeing Shipment Quantity	
Annual/ Section	Woven Sales (Yards)	Knit Sales(Tons)	Woven (Yards)	Knit (Tons)
2024	32,253,250	259	11,305,423	1,366
2023	33,986,611	282	10,472,625	1,207
Comparison	<b>-1,733,361</b>	<b>-23</b>	832,798	159
Growth Rate %	<b>-5.1%</b>	<b>-8.15%</b>	7.95%	13.17%

\* Statistical Period from  
Jan - Sep

## Li Peng Nylon Department

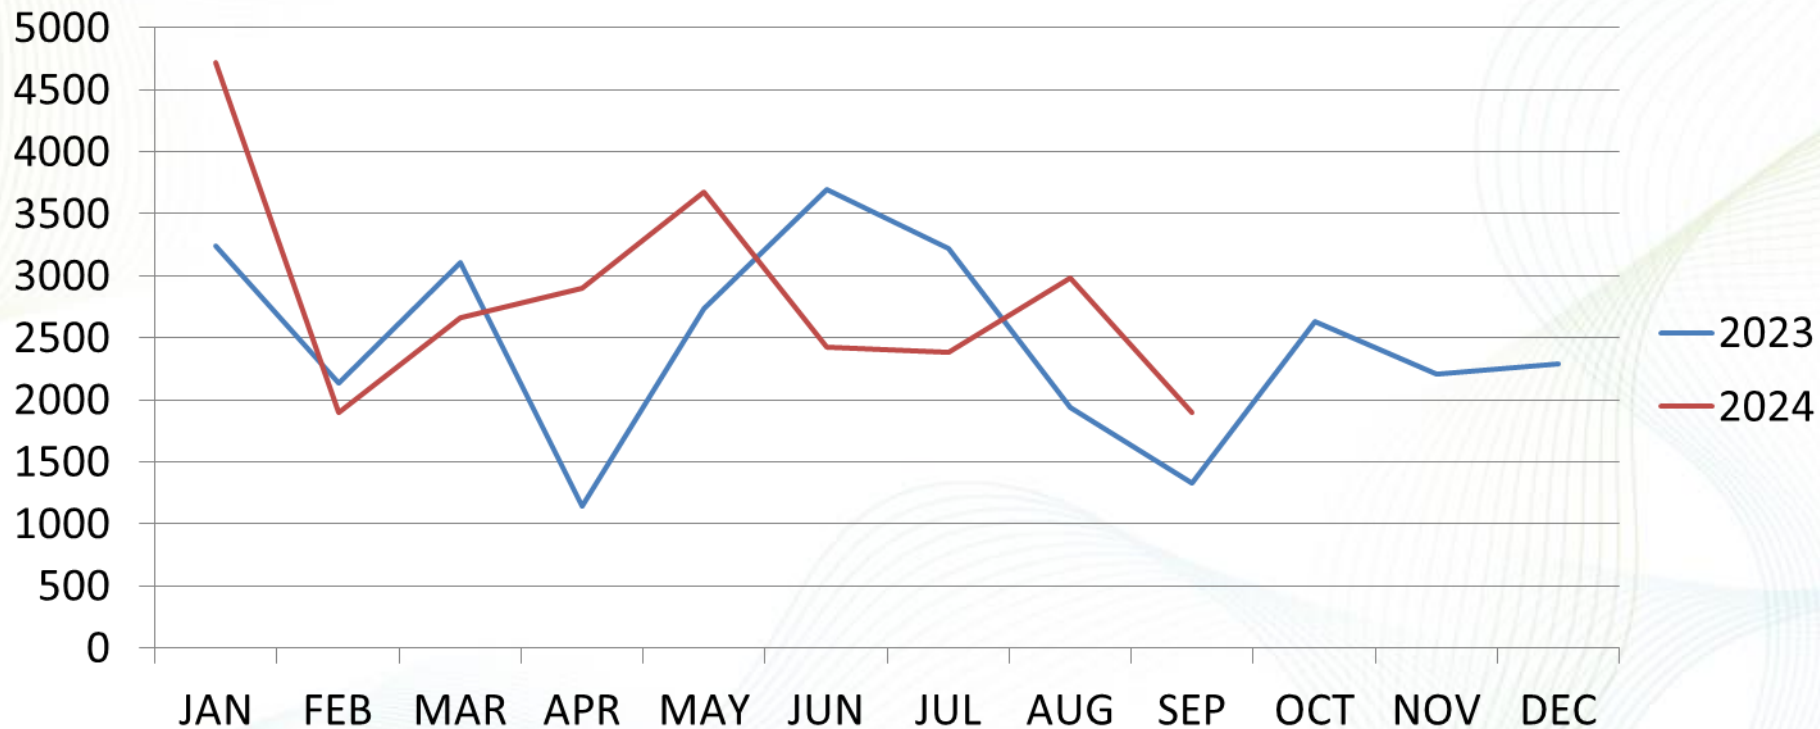

Annual /Section	Plastic Pellets(Tons)	Spinning Chips(Tons)	Chips(Tons)	Nylon Yarn(Tons)	Total
2024	31,076	22,874	636	13,391	67,977
2023	29,528	22,001	695	8,676	60,900
Comparison	1548	873	<b>-59</b>	4715	7077
Growth Rate%	5.24%	3.97%	<b>-8.48%</b>	54.34%	11.62%

\* Statistical Period from  
Jan - Sep

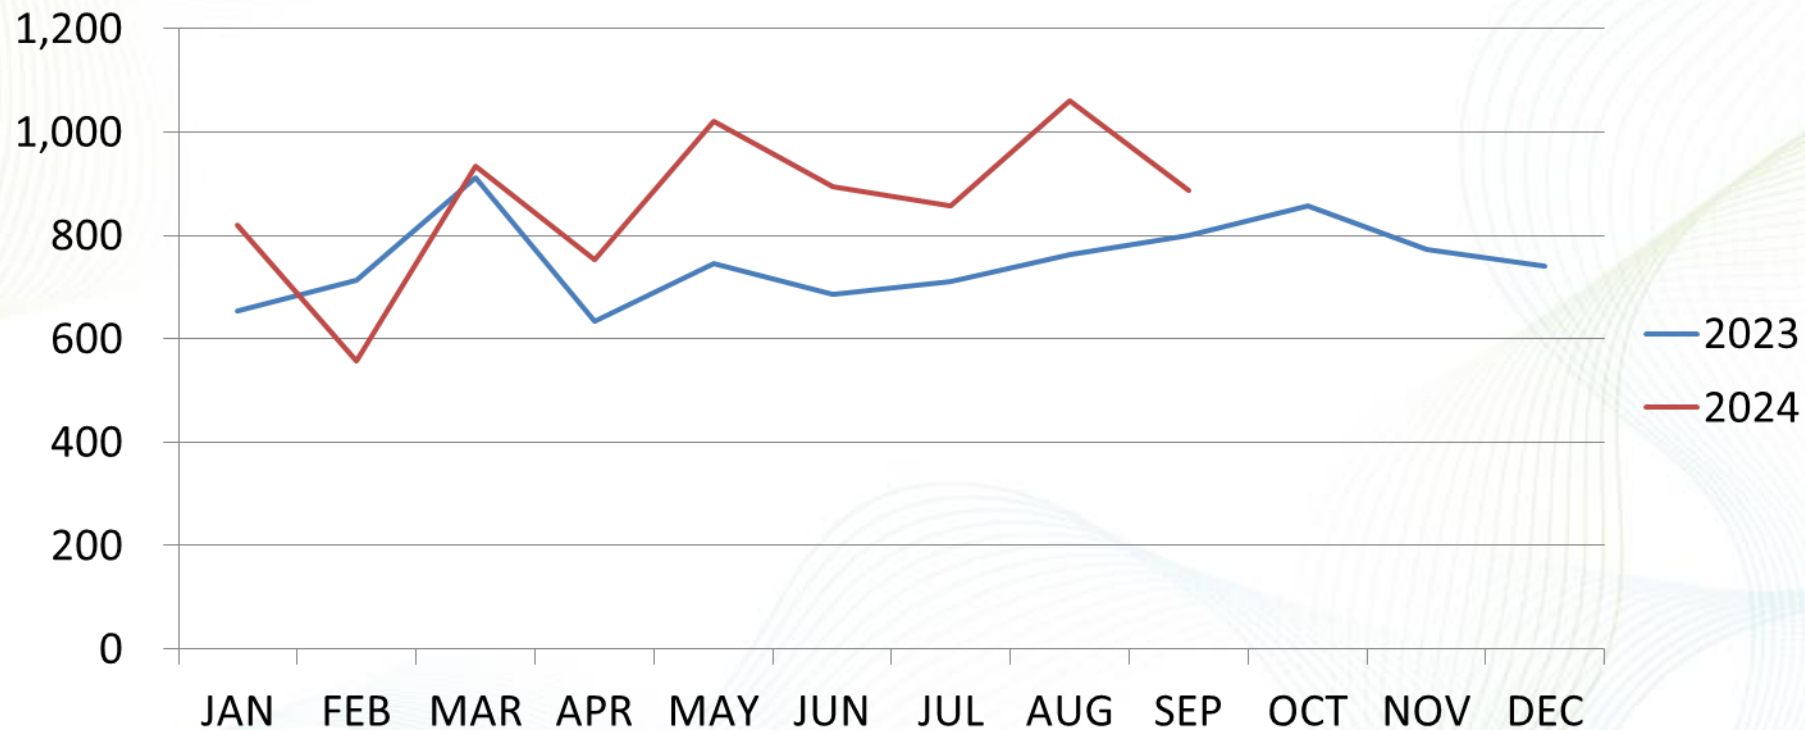

# LI PENG Consolidated Revenue

Unit: Million

# LI PENG Parent Company Revenue

Unit: Million

# Industry Trends: Countermeasures

1. To face the Industry competition, the adjustment of production lines and reduction of inventory (feedstock and product) are primary missions.
2. Caprolactam (CPL), the raw-material of Nylon 6, as the price gap between China and Taiwan is too large, our current important task is to import this raw-material with the reasonable price level.
3. In 2023, the expansion of the second weaving mill in the Indonesian plant completed in the fourth quarter, and installation of 306 weaving machines will begin. Production start in the third quarter of 2024.
4. Continuing to develop high-end brands to enhance the gross profit margin.
5. Assisting in planning the expansion project of the second dyeing plant in Libolon Indonesia (with 7 dyeing machines and 3 setting machines), fully completed and start production.

# 2024 TITAS Exhibition

# Annual Exhibition Participation

Performance Days March (Germany Fabric Fair)

Functional Fabric Fair (April Portland Fabric Fair)

JAPENTEX (Japan Home Textile Fair)

DTG (Bangladesh Fabric Exhibition)

Functional Fabric Fair (New York Fabric Fair)

TITAS (Taipei Fabric Fair)

OSAKA Exhibition (Osaka Fair)

Functional Fabric Fair Fabric (November Portland Fabric Fair)

ISPO Winter (Germany Sporting Goods and Sportswear Fair)

Heimtextil (Germany Home and Contract Textile Fair)
